PROGREN DECKING - COMPLETE RANGE OF DECKING SYSTEMS

1 **Deck Boards**
Progren Deck Boards are available in 6 different colors.

2 **Joists**
This is the basis for a good sub-construction. Our composite version can be used for minimum installation heights or elevated constructions with extra wide spans.
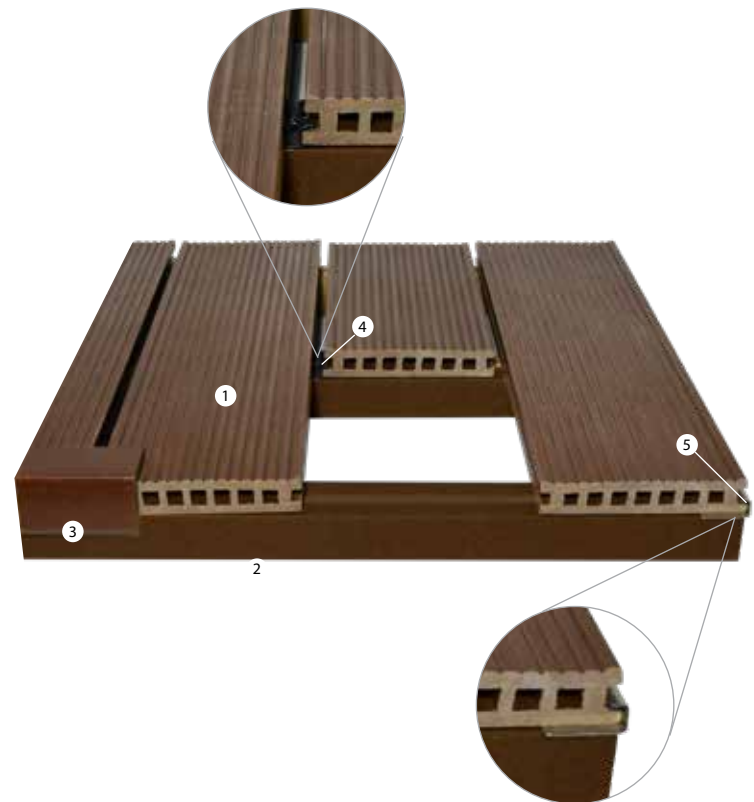

3 **L-end Caps**
For enclosing the ends of the deck boards.

4 **Hidloc (Hidden Fasteners)**
Allows quick installation and removal of Progren deck boards; accounts for thermal expansion
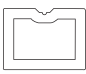

5 **Starter Clip**
For installing the first end boards

PROGREN DECKING - **PRODUCT SPECIFICATIONS**

• Classy design and long lasting decks • Low Maintenance •10/15 years warranty
• Smart accessories and fastening system • High impact strength and stain resistance • Made in UAE
